NOTE: We are pleased to accommodate your request for the Model 16 Autoloading Rifle information. The following documentation represents all information available on this model from the Remington Arms Co., Inc.
DO NOT MAKE CHANGES OR ALTERATIONS TO ANY PARTS OF A FIREARM. USE ONLY REMINGTON PARTS. NEVER MAKE AN ADJUSTMENT TO THE TRIGGER, OR CHANGE THE SHAPE OR SIZE OF THE SEAR, SEAR NOTCH, OR OTHER PARTS.

Ten Commandments of Shooting Safety

1. Always keep the muzzle pointed in a safe direction.

2. Firearms should be unloaded when not in use.

3. Don't rely on your gun's "safety".

4. Be sure of your target and what is beyond it.

5. Use correct ammunition.

6. If your gun fails to fire when the trigger is pulled, handle with care!

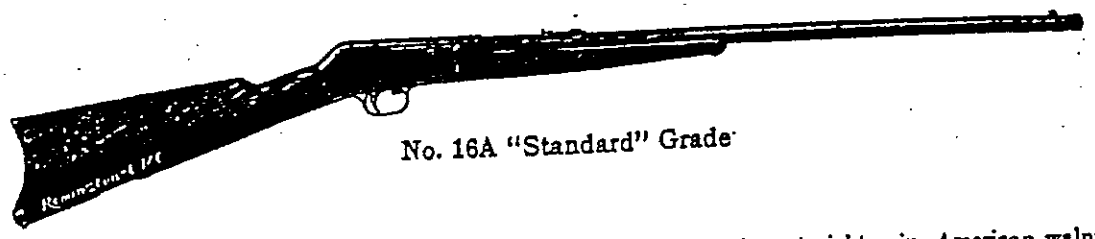
7. Always wear eye and ear protection when shooting.

8. Be sure the barrel is clear of obstructions before shooting.

9. Do not alter or modify your gun, and have guns serviced regularly.

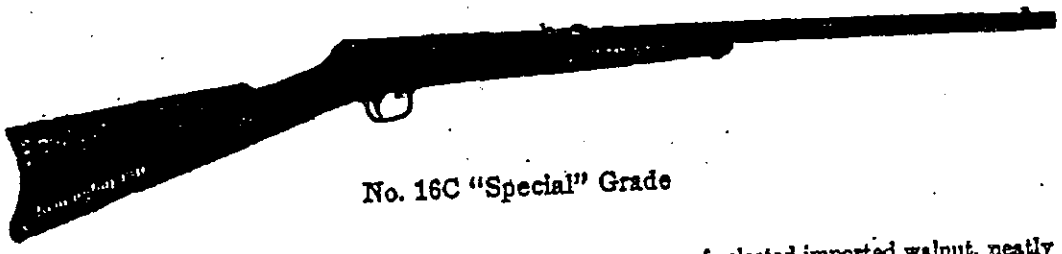
10. Learn the mechanical and handling characteristics of the firearm you are using.

Solid Breech — Hammerless — Take-Down



No. 16A "Standard" Grade

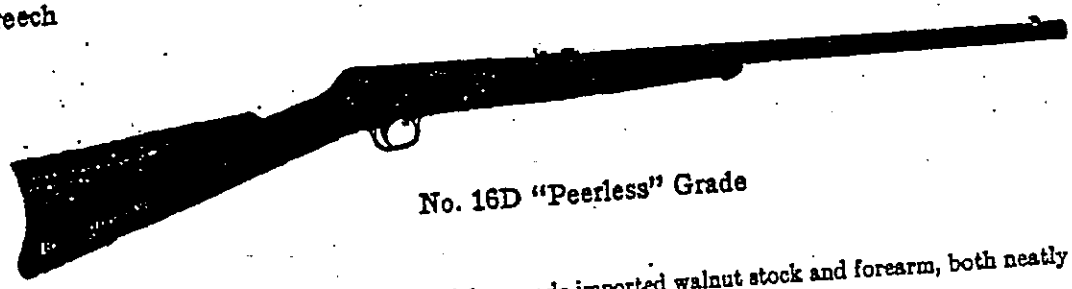
SPECIFICATIONS:—22-inch Remington steel, round barrel, with 16-inch twist; straight grip, American walnut stock fitted with steel rifle butt plate. Magazine holds fifteen cartridges, which with one cartridge in the barrel gives a capacity of 16 shots without reloading. Sights regularly furnished; white metal bead front sight and rear sight with screw adjustment. Light, easy trigger pull. Trigger grooved to prevent finger slipping. Weight, about 5¾ pounds. Length over all, 40½ inches. Length taken down, 22 inches. This rifle cannot be furnished with pistol grip.



No. 16C "Special" Grade

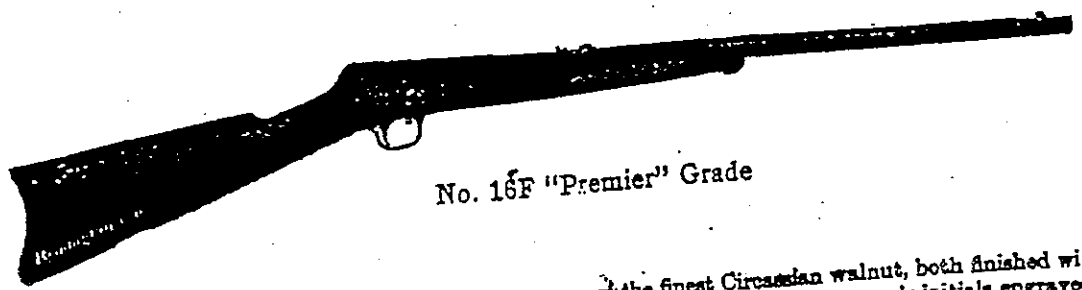
SPECIFICATIONS:—Same as No. 16A, except that stock and forearm are of selected imported walnut, neatly checkered.
Special sights adapted to this rifle shown on pages 91, 92 and 93.

Solid Breech — Hammerless — Take-Down



No. 16D "Peerless" Grade

SPECIFICATIONS:—Same as No. 16C but with higher grade imported walnut stock and forearm, both neatly checkered. The receiver and trigger guard are finished with a rich scroll, hand engraved.



No. 16F "Premier" Grade

SPECIFICATIONS:—Same as 16C but with stock and forearm of the finest Circassian walnut, both finished with delicate and elaborate checkering of best quality. Stock is inlaid with gold name plate. Owner's initials engraved on name plate. The engraving on this rifle is equal to that on [illegible]. All working parts are hand polished.
